Mrs. Effie Fields Honoured in all groups there.

The Quinte Old Timer's Club met last Wednesday afternoon at a Euchre Party to wish Mrs. Effie Fields farewell

Mrs. Fields, who is a lifetime resident of Deseronto, is leaving soon to take up residence in Collingwood, where she hopes to find her own apartment.

Mrs. Fields, who is in her 90th year was christened at St. Mark's Anglican Church, and was also confirmed there. She has been an active member She ran a boarding house

and a grocery store in Deseronto

Mrs. Fields was honoured Monday afternoon when she was the guest of honour at a neighbourhood tea party at the home of Mrs. George Wakelin, with Mrs. Ross Camp as cohostess. She was presented with a corsage and a gift.

The Anglican Church Women gave a party in her honour on Tuesday and made a presentation

own development company. Tyendinaga Mohawk Limited was created as a development corporation of which leather sewing was to be only one segment. Under the terms of the Charter, this company could branch into most any business except banking, ie. construction, marinas, food stores, etc.

-as a development company it would:
- 1) create tax free employment for the Indian residents of our Reserve. Indian income while working on a Reserve is income tax exempt.
- 2) Be a source of revenue by which we could build up our capital and revenue band funds One step toward making our reserve independent.
- 3) Attract our graduating students as the company branched into larger variety of job opportunities.

The reason the Council took the incorporate route was they wanted to show good faith to our non-Indian creditors which was otherwise made impossible by section 89 of the Indian act...

Mr. Brant also went on to discuss the referendum which ship of Tyendinaga, From a possible 490 eligible voters officer, only 276 votes were band ownership, 97 were for Many people indicated at referendum that they did not wish to see the Band Council sitting in a board of directors for fear the corporation would be doing Council business.

Mr. Brant went on to state that Mr. C. Brant who has a vested interest in the company disqualified himself from any issue involving Tyendinaga Mohawk, Ltd. and that all funds received as salary by Mr. Brant in his capacity as Industrial Commissioner in connection with Tvendingag Mohawk were refunded in full after the results of the referendur were known.

Mr. Brant also stated that if there was any evidence that the presence of the corporation would lead to changes in the Indian Act governing taxation, he and his Council would be opposed.

In the same newsletter Carl D. Brant , President of Tyendinaga Mohawk announced that the name of his company is being changed to "Four-B Industries Limited" and that the company has applied for a Federal Charter.

Mousetrap

The Lennox Theatre Guild are opening Friday night in what they confidently anticipate will prove to be one of their most successful productions, their presentation of the great Agatha Christie's fabulously successful mystery chiller, "The Mousetrap"

Under the direction of Bob Deutehom, the cast is unusually wee-balanced, with each of the important. Featured in it are Margaret Deutehom, Bob Lawton Corrie Holmes, Jessie Quirt. Percy Weir, Nancy Diamond, Ralph Dale, and Malcolm Smith

The set was designed by Terry Larstone and executed by Terry Larstone, Dick Dickeson, Barry Young, Bud Acton and Ralph Adams. The other technical supervisors are: Properties-Gwen Finlay, Lighting - Graeme Strong, Sound - Jim Alkenbrack. Costumes - Shirley Dickeson, Make-up - Beth Weir, Special effects - Marlene Finucan,

Stage Manager - Heather Larstone. The publicity photos are by G. Webster Photography and the box office is being handled by Gladys Mills.

This initial local presentation of the "Mousetrap" has been eagerly awaited, many local playgoers being most anxious to see for themselves the play that has broken all long-run records of the London stage. The Lennox Guild predicts that their own presentation of "The Mousetrap" this Friday will amply demonstrate w why the play has been such a tremendous success,

Well, it looks as if everything's geetin' geared up for the December municipal elections. Everybody and his brother George is runnin' usual. Why, three people is runnin' fer mayor in Picton alone. Mind, that makes it a lot more interestin' from the days when ol' H.J. was around.

I was considerin' runnin' fer somethin' myself, but I think I'll save myself fer the federal elections. Seems to me I could manage the country jist as well as the jokers what's in now. Probably better. An' there wouldn't be no rotten eggs around either.

Been readin' in the paper about all the money the expresident of the U.S.A. is askin' fer. "Transition expenses" he calls it. That must be one hell of a transition - \$60,000 a year right off, and another \$750,000 or so fer "expenses". Why, it says in there he wants \$5,000 fer printin'. What's he gonna print fer \$5,000 his monogram on the toilet paper?

Elma and I went to Pictor the other night to do some shoppin' and went down East Main there, where they've put in the new lanes in the road. By gol' the traffic sure moves through there a lot faster than it used to. Why, sometimes, you'd have to wait nigh on

for 1975 by the Lennox and Addington County Board of new building and other capital expenditures for area schools over the coming year.

These estimates are not binding, but are only for information purposes.

Among the expenditures planned are the refurbishment of Ernestown Secondary School, building a hall at Amherst Island Public School, improvements at Odessa Public School, new gym facilities at Golf Course Public School, and renovations at Prince Charles Public School in Napanee.

Plans are going ahead for the proposed updating of the Picton water system. A PUC resolution will be presented at the Town Council's October 7 meeting, to authorize the Picton Utility Commission to issue debentures for the project.

Examination of the system began last spring when it was learned that Picton had been operating on a minus water pressure and if a major fire occured in the northeast sector of the town, adequate fire protection might not be forthcoming. It was also learned that, if the system were not updated, the housing development in the northeast section might have to be curtailed.

Some of the water mains in this area were installed in 1888. The updating would be sufficient to suit the needs of the town for the next 20 years.

Workers at the striking Emerson Electric Plant in Napanee have asked the federal government to assume control of the plant and to pay wages comparable with other electricl workers in the area.

The workers charged that the American owned company is not interested in what is best for their Canadian workers, and that a recent offer made to the workers was "more to discourage than to help"

The strike is now in its sixteenth week, and no settle-

ment in sight. The workers are asking for parity with their counterparts

Prince Edward County Council has endorsed Ameliasburg Township's position regarding the location of the proposed new bridge linking the county with Belleville.

The motion calls for the \$12 million bridge to be located half-way between Rossmore and Rednersville. The location would be a more direct access to Highway 401 and Loyalist College.

Most Belleville officials favour the present site.

A \$756,377 contract for electrical and mechanical services at Prince Edward Heights in Picton has been awarded to Stewart and Hinan Contractors

Limited, of St. Catherines.

The work is part of the overall renovation program being carried out at the Heights. The contract will provide a new electrical distribution system and an emergency standby electrical system for the groups of buildings known as the Village Complex and Craig Complex. Completion of the work is expected by August 1975.

Deseronto Council

The regular meeting of the Description Council was held on Monday, October 7, 1974. During the course of the meeting council: — adopted the minutes as read of the regular meeting on Sept. 16 and two special meetings on Sept. 24 and 28. The special meetings were in connection with the Ontario Municipal Board application concerning the water proposal and a by-law authorizing the construction of the Community Centre.

Deseronto Police Monthly Report

There were three reportable accidents in September, with no persons injured or killed. There were no sudden or accidental deaths reported.

The Descrotto Police Force laid 12 charges under the Criminal Code, 9 under the Liquor Control Act , 21 under the Highway Traffic Act, and 4 charges under other provincial statutes. One tag was issued for parking violations.

The force investigated 37 complaints and received 417 other calls. There were 10 summonses served for other forces.

6 unoccupied house checks were made, and one premise was found insecure.

There was one theft over \$50.00 and 5 thefts under \$50.00.

Value of property stolen totalled \$435.00. Value of property recovered totalled approximately \$5.00.

2 children were reported missing. Total court time accumulated was 23 3/4 hours. - received a letter from the Ministry of the Environment advising that there will be an Ontario Municipal Board hearing concerning the project unduly. Tenders for construction of the water filtration plant and distribution system should be called next month.

- received a letter from the Ontario Housing Corporation advising that a new survey of need for Senior Citizen Housing will be conducted at that council will hear from them shortly. The OHC also advised that the offer to sell the present Arena site has been executed and enclosed a deposit cheque of \$100. The OHC plans to use the site for Senior Citizen housing, subject to the approval of the Central Mortgage and Housing Committee.

- received a request from Branch #280 of the Royal Canadian Legion to hold a Poppy Day. This was granted.

- received a letter from the Deseronto Police Association advising that they are prepared to bargain and negotitate. This was referred to the Police and Fire Committee, and a meeting between the Committee and the DPA will be held within the next two weeks.

- passed the schedule of accounts in the amount of \$29,074.11. Also authorized the payment of two special accounts one to the Safety Supply Co. in the amount of \$924.23 for fire equipment, the other to Car-Braint Construction for the drainage work done at Metcalfe's.

- Councillor Dickinson of the Fire and Police Committee read the Police Report, which was adopted as read. - Councillor Brooks of the Recreation Committee reported that a meeting of the Committee took place on Oct. 5, and presented the following motions: 1) that the Clerk be instructed to authorize payment of \$100 to Mrs. George Kewley for assistance with her Majorette Corps.

2) that \$25 be paid to K. Clements for goalie sticks. Councillor Brooks also advised that Allen Hubble has been requested to supervise Minor Hockey this winter.

- Ćouncillor Neal of the Property Committee advised that after considerable investigation, it has been found that no agreement was ever made with Canadian National regarding their walkway along the rail line, and that the insurance policy covering the walk-way should be cancelled. Councillor Neal also advised that insurance should be taken out covering the three furnaces at the Town Hall, the Fire Hall and the Supply Barn at a total cost of \$120 year. The policy will cover service, labour and parts replacement and is with Carrett's Heating.

- the Streets Department reported that they have already hauled 150 yards of winter sand from Fennell's in Cherry Valley, and that they are now drawing winter salt from King-

Mohawks Hire Lawyer

The opponents to the formation of a corporate structure on the Tyendinaga Reserve have retained one of Canada's prominent attorneys.

Mr. Malcolm Montgomery of Toronto is exploring all possbilities and looking into all legal technicalities to assure that the interest and welfare of the residents of the Reserve are protected.

The opposition group reliterates that they are prepared to take whatever steps necessary to ensure the dismantling of The Four B's Ltd. (formerly Tyendinaga Mohawk Ltd.), an incorporated company set up to manufacture leather shoe uppers for Batos Shoes.

In a recent press release, the group commends the young people of the Tyendinaga Reserve for their knowledge of the issue and their role in the dispute.

The release presents two solutions to the issue - the Federal Government and the Band council must honour the wishes of the Native People or chaps and civil disorder

will ensue.

The Federal government has so far opted to support the

Band Council.

Montgomery has advised a demand for leasing particulars and a new referendum vote as the next steps in the protest.

These demands were presented

Council at their regular meet-

to the Quinte Mohawk Band

ing last Wednesday.

Montgomery suggested that the group obtain a copy of the lease agreement between the company and the Band
Council and find out if it was approved by the Department of

If the lease has not yet been signed, and a new referendum vote is taken, Mr. Montgomery feels that the Department of Indian Affairs will be compelled to do something about the situation.

The lawyer also suggested that legal action not be taken at this time, as it would slow up the desired end, that of no corporate structure on the Reserve. Montgomery feels that if the matter is allowed to drag, trouble would ensue.

A special thanks to the ladies of our neighbouring churches who poured tea. Also to Mr. Everett Maracle who made posters and untiringly picked up donations, and helped the ladies in so many different ways. It is only through the generosity and working together of each one that events such as this can be. Once again, thank you everyone.

Tender for Supply of Petroleum Products

SEALED TENDERS, plainly marked as to contents, will be received by the undersigned for the supply of petroleum products, until 4.00 p.m. on

Gary V. Williams, Purchasing Officer, Room 102, County Administration Buildings, Belleville, Ontario. K8N 3A9.

Well, this week-end is Thanksgiving, and Elma's whole family will be comin' to dinner. All seventeen of 'em. I remember last year the whole thing ended in a big fight 'cause Elma's brother George ate up all the punkin' pie afore I'd even had a piece. I get lots o' things to be thankful fer, but George ain't one of 'em, I can tell you that.

One thing we better all be thankful fer is that there warn't another game in the series between Canada and Russia. If there hadda been, Teom Canada probably woulda killed one of the referees. Either that or some of the Canadian players would of ended up in the Siberian salt mines.

Hallowe'en is comin' up too, together with all of the shenanigans that go on. I cin remember soapin' a few windows in my time, and knockin' over a few outhouses with people in 'em, but that weren't nothin' to what goes on nowadays. Things get pretty rowdy.

Even the little ones what come around to the door dressed up ain't satisfied with just an apple or an orange no more.

Now they all want chocolate bars and potato chips. Inflation hits everybody, I guess.

Speekin' of which, I went

speakin' of which, I went to help Elma git the groceries Friday night and this lady was ahead of us with about 5 kids in tow. Now, it ain't really any of my business, but this here lady was fillin' up the

chips and frozen cakes and pies and such. Now, that's okay if you can afford it, but when this lady was payin' the cashier. I heard her complainin' about the high cost of groceries! Makes ya wonder don't it?

Solandt Commission

— Hydro Inquiry—

Notice of additional public hearings into the transmission of power from Lennox to Oshawa

- 1. Take notice that the Solandt Commission will resume its hearing into the inquiry of the transmission of power from Oshawa to Lennox on November 6th 1974 beginning at 9:00 am. in the United Church of Canada Auditorium, Mill & Emily Streets, Newcastle and for souch additional days as may be required and on November 13th, 1974b beginning at 80.0 pm. in the Kendal Public SCOI, Kendal and for such additional days as may be required.
- 2. At the previous meetings of the Commission there was public support for alternative routes both north and south of the route proposed by Ontario Hydro in the western part of the study area. The Commission retained Mr. TW. Sparling to prepare the additional information required for a careful study of these alternatives. The specific purpose of the forthcoming meetings will be to consider these alternative orollings and evaluate the feasibility of a more northern and southern route as proposed by the public. The Newcastle meeting will emphasize the southern alternative and the Kendal meeting will emphasize the northern alternative.
- 3. Any interested parties who wish to present a brief or make oral representations at the forthcoming public meetings, either personally or through a representative, should indicate their intent to do so in writing to the Secretary, on or before October 28th, 1974. Such parties should specify in writing the area of their concern and indicate then atture of the testimony which they wish to give at the forthcoming meetings, and whether they wish to speak at Newcastle (day) or Rendal (evening).
- **4.** The procedures for the continuation of the hearings will be that previously established by the Commission.
- 5. Ontario Hydro's report and the Sparling study will be on view in area municipal offices and the Solandt Commission office. Ontario Hydro's report may be purchased from the Ontario Government Bookstore, 880 Bay Street, Toronto, and summaries obtained from Ontario Hydro, Public Relations Division, 620 University Avenue, Toronto 368-6767, local 25729. Copies of the Sparling study are available through the Solandt Commission office. Copies of all briefs filed and a map of alternative alignments will be on view in the offices of the Town of Newcastle, 40 Temperance St., Bownaville, the Township of Hope, 72 Walton St., Port Hope, the Kendal Public School, Kendal and the Solandt Commission office.

Committee is continuing to apply pressure on the federal government to take over the Napanee electric plant.

Telegrams have been sent lespie (Minister, Industry, Trade and Commerce) and John Monroe (Labour Minister) who have not yet answered to the committee's satisfaction.

These telegrams advised the recipients that the union had been on strike for 16 weeks and urged the government to intervene because the workers were willing to work if a decent wage was paid.

Last week the committee decided to send telegrams to the same men again, and additional ones to Prime Minister Trudeau, Opposition Leader Stanfield and Edward Broadbent (N.D.P. House Leader).

The budget for the Prince Edward County Children's Aid will not be cut, although the Ministry of Family and Social Services recently suggested a \$5,000 reduction.

The local CAS protested the cut because it would not enable them to offer specialized services.

The Minister of Natural Resources and the Minister of Industry and Tourism have been advised that the Directors of this Region object strongly to the fact that the Provincial Parks are advertising "No Vacancy" on the radio when Members of the Region in the Vicinity still have vacancies.

Thousands of government dollars as well as Members Fees are being spent every year to bring Tourists to the area, and the government advertising is turning them away.

The Government has been asked to reconsider their effort to establish a haven for incorrigible boys and firls on Little Cashel Lake, to be known as Boys Harbour, Inc. It is felt that this would be a detriment to the locality and a threat to cottagers in that area. Fingerboards at the inter-

Opposition Upset by Tax Payments

Above are pictured two paychecks with arrows pointing out the items in question.

The group that opposes corporate structure on the Tyendinaga Reserve has charged that the Four B's Ltd. (formerly Tyendinaga Mohawk Ltd.) is violating the present structure of Indian Reserves by deducting Federal Income Tax and Canada Pension Plan payments

from the paychecks of its employees.

Indians earning money on the Reserve do not pay income tax to the Canadian government and are not required to file an income tax return.

The opposition feels that the employees of the company

will find it very difficult to recover the money that has been paid out; even in the event that they each file an income tax return, they will not recover the money until sometime next year (with no interest on their money added). The return of the Canada

Pension Plan contributions would be even more involved.

The group states that some of the employees thought that there must have been a mistake in filling out their paychecks, but the company has continued to make the deductions.

Band Council Signs Lease

At a surprise Council meeting last Wednesday night, Mohawk Band Council signed a 3 year lease with the controversial Four B's Ltd. (formerly Tyendinaga Mohawk Ltd.) a company producting leather shoe uppers for Bata Shoes.

Council signed the lease after leaving the Council Chambers to go across the road to the Band Office, and returning to the chambers.

Councillor Clell Maracle, official spokesman for the group opposing the formation of the corporation, states that the agreement is illegal as there was not a quorum present. He did not sign the agreement as he assumed that when coun-

cil left the chambers, the meeting was adjourned, and left.

Chief William Brant claims there was a quorum present and a negative vote was registered for Clell Maracle, because he was not there and for Carl D. Brant, president of Four B's Ltd., as he declared conflict of interest and refrained from voting, and, as chief, cast the tie-breaking vote.

Four B's Ltd. had earlier arranged for a 5 year lease with the Band Council, but this was later reduced to a 3 year term, with arrangments for two additional 3 year terms.

Councillor Clell Maracle particularly objects to the assumption that he would have voted negative had he been there, and calls the action illegal.

Complaint re Dogcatcher

According to Deseronto Town Councillor Terry Whalen, dogs are not under control in the town. Mr. Whalen feels that Dogcatcher Thomas Maracle should be called before council.

However, Councillor Peter Dickinson, Chairman of the Police and Fire Committee told council that he has received only one complaint since Mr. Maracle assumed the job.

at the Tamworth branch. The amount of the grant was not disclosed, but it is to be used to purchase Canadian books in order to sell at the branch.

Emphasis will be placed on paperbacks, although some hardcovers will be available.

The program is based on the recommendation of the Royal commission on book publishing, that libraries sell Canadian books in sparsely settled areas.

The Provincial police warn that persons are phoning in the county, soliciting cash donation for the cornea transplant eye

bank. These calls are not legitimate. Legitimate canvass is

being made on a door-to-door basis. The canvassers carry proper identification.

The reconstruction of Dundas street in Napanee may be cut short, if the town decides to hold off on finishing the project until next year.

Construction has moved three blocks since it started Sept. 4

and paving operations on the block between Robert and Centre streets is expected to start early this week.

The \$347,602.20 project was to have completely reconstructed Dundas street from Robert street east to Bridge st. There is only one more block to go at present.

Hillcrest Construction Co. of Brockville has received the contract for reconstruction of Consecon Mill dam.

Work includes rehabilition of an existing stone wall and pier adjacent to the mill and construction of a new overflow pier and retaining wall.

A plaque in honour of Andrew A. Benvie, organist and choir director of Picton United Church for 26 years until his death, will be dedicated Sunday, Oct. 20.

The plaque is being placed in the church by the choir. at the 11 a.m. service.

Hikers are urged to walk

the nature trails of Macaulay Mountain site

Maps of the route are available through the week from the PERCA offices. On weekends and after hours, information can be found from a billboard at the foot of the trail.

The public is urged to use the nature trails and to enjoy the scenic stands of hemlock at Macaulay Mountain.

A number of service clubs have agreed together to attempt once again to obtain a swimming pool for Prince Edward County. The group is led by the Kinsmen Club of Picton. They have suggested that a Junior Olympic sized pool be built in the Prince Edward County Fairgrounds.

The Club wishes to build the pool in answer to a number of problems:

The pool will be 82 feet by 42 feet, including change rooms, decks, and storage areas having a capacity for 200-250 persons.

It is believed that the pool would cost \$120,000, to be provided partially through grants and through donations.

Deputy-reeve Richardson commented there have been several fires in Picton that might have been prevented if inspection had occurred.

Avoiding sudden, violent death is the reason usually given for the need to fasten safety belts. But many people seem to have become immune to that appeal. A suggestion for an alternative approach, noted by the Ontario Safety League, is that a more effective appeal might be: "It may save your teeth, nose, cheekbones and chin. The C.S.A.O. wanted an exhibitating group designated at least half by the C.S. A.O. and half by the government. The new rules were accepted by the local teachers on October 7.

Qualifying residents 65 or older should now have at least \$2700 a year.

This is what Ontario is doing to guarantee that income.

Your Ontario Government believes senior citizens should now have a guaranteed annual income of \$2700 a year for single persons, and where both spouses qualify, \$5400 for married couples.

So, if you are 65 or older, with an income of less than \$2700 a year...and have lived in Canada for at least the past 5 years and in Ontario for the last year... you may qualify for GAINS.

GAINS is Ontario's Guaranteed Annual Income System. It is designed to ensure an annual income of \$2700 by making up the difference between the GAINS guarantee and income from other sources.

Over 260,000 senior citizens are now receiving benefits under this program.

If you receive Old Age Security and the Guaranteed Income Supplement, your eligibility for Ontario GAINS is determined automatically. You do not have to apply.

If you are not receiving GAINS payments but feel you may qualify, please give us a call.

Blind and disabled people now receiving assistance from Ontario's Family Benefits program are also entitled to GAINS.

CONTRACT AWARDED TO BELLEVILLE FIRM

OMB Approves Arena Plan

The Ontario Municipal Board has approved an application for construction of a \$325,000 community centre in Deseronto.

Clerk-Treasurer for the Town of Deseronto, Sam Knapp received official approval of the plan on Oct. II, and building is expected to commence soon.

Building Chairman, Jack Layfield and Fund-Raising Committee Chairman Clarence Aieman both had considerable praise for Mr. Knapp, Reeve George Lyons, and MLA Clarke Rollins for their assistance in speeding the application through official channels, passing necessary by-laws arranging financing, and arranging the sale of the former rink site to the Ontario Housing Corporation, all in the two-month period since the approval of the federal-provincial loan in late July.

Mr. Layfield will be meeting on Wednesday night with Peter Anderson of Greer, Galloway and Associates to finalize building details. Mr. Anderson is an engineering consultant.

A tender for the construction of the arena has already been awarded to Bell-Con Construction Ltd. of Belleville.

The fund-raising committee met last night (Tuesday) to discuss acceleration of their fund drive, and to inform the public of the latest developments in the project.

Mr. Zieman estimates that an additional \$35,000 must be raised by the fund-raising committee for items such as dressing room washrooms, concrete arena floor, seating, painting, completion of the hall, and other facilities which had to be cut from the original proposal in order to lower the contract price to

\$325,000. Some local people have already agreed to continue with their monthly pledges until September, 1975, and the committee plans to extend their mail canvass to Napanee in the near future.

Mr. Zieman is optimistic that local residents, business and service clubs will step up donations to the project, now that construction is beginning. Donation, which will qualify for income tax deductions, are to be made payable to Town of Deseronto Community Centre Fund, c/o Monagger, Canadian Imperial Bank of Commerce.

Public school news

The students of Deseronto Public School will again be collecting money for Unicef during Halloween activities. The only students who will canvass the town will be approximately 30 Grade 6 students, who will canvass door-to-door during school hours. In this way, the money can be returned to the school, counted and banked before the evening activities start. Other activities scheduled during the Halloween period will also contribute to UNICEF Funds.

The Pre-Kindergarten program which has been offered at the shoool for the last few years will again be in operation. This program is staffed by colunteers from the community. The hoped for starting date is the first week in November. Parents who would be interested in having their child attend the six-week Pre-Kindergarten program are asked to call the school for further details. To be eligible, a child must be four years old by the 31st of December, 1974.

Deseronto Council

The regular meeting of the Deseronto Town Council was held on Monday, October 21 at the Deseronto Council Chambers. All were present with the exception of Reeve Lyons. During the course of the meeting council:

- received a telegram and letter advising of Ontario Municipal Board Approval of plans for construction of the community centre.

- received a letter from the Association of Municipalities of Ontaria asking council to support resolutions A & B concerning the proposed Bell Telephone Rate increases. The AMO also requested that council pay their share of AMO expenses in the matter, in the amount of \$18,44. This was approved. Councillors Neal and Dickinson declared conflict of interest in this matter and refrained from voting.

- received a letter from Napanee District Secondary School advising that Miss Mary Ann O'Brien was the winner of the Deseronto Memorial Scholarship. Miss O-Brien will be presented with her award on Nov. 16 by Councillor Dickinson, who will represent Deseronto Council at the graduation ceremonies on that date.

- the schedule of accounts in the amount of \$5,425.42 was approved for payment.

aproved for payment:
1) to Belleville Truck Centre
in the amount of \$1152.30 for
repairs to the Town's International Truck.
2) to Dom Tar Chemical Co.

in the amount of \$408.55 for the supply of winter salt.

- Councillor Dickinson of the Fire and Police Committee reported that the Committee has met with the Town Constables who have submitted a tentative contract. They will meet again in one month's time.

in one month's time.

- Councillor Whalen of the
Streets Committee made three
recommendations:
1) the purchase of 2 rear tires
for the backhoe

2) the purchase of 2 snow tires for the pcik-up truck.

3) the purchase of 700 feet of snow fence.

Mr. Whalen also reported that the parks in Deseronto have been fully prepared for the winter, and that the town foreman still has two weeks vacation coming.

OUR APOLOGIES

In last week's Scanner we carried a story concerning federal tax deductions from the paychecks of Indians employed on the Tyendinaga Reserve. In the story we stated that the paychecks shown were from Tyendinaga Mohawk Ltd. These paychecks were NOT from Tyendinaaa Mohawk Ltd., and that company DOES NOT deduct federal income tax from the paychecks of their Indian employees.

The company in question was Truscreat Ltd.

We apologize to the staff and management of Tyendinaga Mohawk Ltd. and to our readers in general for our erroneous article.

action, employees at Emerson Electric in Napanee voted last week to accept a 90 cent an hour increase over two

The workers will receive 40 cents of the increase retroactive from April 6. Another 10 cents will be added on Feb. 1, 1975, and 10 more cents on April 15, 1976. The contract will expire Nov. I, 1976. In addition, a number of the plant's employees will receive classification adjustment, adding 40 to 77 cents to their hourly rate.

Prince-Edward Hastings MP George Hees has been appointed a member of the standing committee for external affairs and national defence. Mr. Hees will also continue his role as opposition spokesman for industry, trade and commerce.

According to developers, there are only eight store spaces left to be filled at the new shopping mall in Napanee The centre will house

29 stores when filled, and the company operating the mall has already rented over 76,000 square feet since its opening.

The stores range from a department store to a grocery outlet, and includes a branch bank and a discount gas station Available are sporting goods, clothing, a gift shop, hairdresser's and a dining lounge.

Notice of Information Centre

Transmission Line Study for Prince Edward County

An Ontario Hydro Study team has for some months been examining alternative routes and voltages for the transmission of additional electric power into the County.

Since February, when public meetings were held in your area, the team has gathered and evaluated precise information concerning alternative rights-of-way from the mainland into the County. As a result, Ontario Hydro will recommend to the Minister of Energy for his consideration that a 230,000 volt transmission line be constructed from a point southwest of Napanee to a new transformer station near Picton. Ontario Hydro will further recommend that submarine cable be used to cross the Long Reach.

You are invited to examine the material which has been compiled and to discuss the recommendation and the alternatives with Hydro's representatives at the following information centre:

Married, with four children in school, Mr. Dickinson feels that he is in close touch with family problems in Deseronto. He has served on the Recreation and Police Commissions during his four year on Council, and is a firm believer in Municipal Control of Police and will continue to support proper policing of the town.

Mr. Dickinson aims to see

Mr. Dickinson aims to see the new Water Service and Community Centre projects brought to a satisfactory conclusion on a sound financial base during the next two years.

Mr. Dickinson is aiming for the position of Mayor, which has been left vacant by the retiring James Sharpe, who has moved to Kingston, and is, there fore, not eligible to run.

He is the head of the Department of Business Education at Napanee District Secondary

No other members of the Deseronto Town Council have disclosed their intentions as yet.

Nominations are open Nov. 7 to 12.

Peter Dickinson, who is running for Mayor.

Halloween Dance

Departments are sponsoring a dance for the youth of the town on Thursday evening from 7:30 to 11:30 p.m. at the Deseronto Public School Adequate supervision will be on hand for the duration of the dance. Admission is 25¢ for those in costume, 50¢ for those in ordinary clothing. The profits from the dance will be turned over to the school's student council, to be given to the UNICEF fund. Parents are urged to send their children to this dance.

In addition, the police department offers the following safety tips for Hallowe'en: 1) choose a light coloured costume that will be easily seen by motorists.

2) use makeup instead of a mask so your vision will not be obstructed.

3) establish both boundaries and curfew and stick to the arrangement.

4)trick or treat in small groups or four or five. One member of the group should have a flashlight.

5) Always be sure to bring your treats home before eating any. In some areas parents have found razor blades in apples and pieces of glass in home made candy.

6) Don't enter houses or apartments unless an adult gives his approval.

7) PARENTS - very young children should be accompanied

by an adult on their rounds.

8) remember the six ELMER
safety rules for your own
safety.

Bata Has Birthday

Bata Footwear, Ltd., which employs 73 people in Picton celebrated its 30th anniversary on Saturday.

The plant, which opened in Picton in 1944 is part of Bata, Ltd. which was founded in Canada in 1939. Sub plants of the large Batawa plant are located in Picton and Campbellford.

A tour of the plant was conducted on Saturday, and visitors were shown the various processes in making a shoe. Phamplets explaining the history of the plant were distributed and balloons were given out to the children.

NOVEMBER GARDENING

November is an excellent month for spring preparations. Pile dead leaves and plant residues on your compost heap so there will be fresh humus to give your garden an early boost next year. Str

boost next year. Store fertilizer left over from this season in plastic bags for easy use in April or May.

Plant trees and shrubs until the ground freezes solid. Water newly 1

Water newly planted evergreens well to prevent the drying out of foliage that helps to cause winter burn.

For a lively display next summer and fall, hill roses up with soil and mulch chrysanthemums with a 4-inch layer of peat moss or clean strow

Now is also the time to put potbound houseplants in larger containers. Place them in a mixture of soil with compost and sand added. Shred or sift it before using it, and store any left over in plastic bags.

To keep healthy, trees and shrubs need particular care now. Feed them a general purpose garden fertilizer with a 10-10-10 or 5-20-20 nitrogen, phosphate potash ration for shade and flowering trees and shrubs. Even a turf fertilizer without additives can be used successfully.

For flowering shrubs, use I to I½ lbs. for each 100 square feet of root bed area. Shade and flowering trees should receive ¼ to ½ pound for each I inch diameter of the main trunk. Spread the fertilizer evenly under the full width of the branches.

A mulch of manure 3 to 4 inches thick, applied in the late fall, is best for evergreens.

DECISION

The Canadian Radio-Television Commission announces the following decision effective October 21, 1974.

Decision CRTC 74-390

CORNWALL, DESERONTO, OTTAWA, ROCKLAND, ONT., AND HULL, AYLMER, LUCERNE, DESCHENES AND TOURAINE, QUE.

Application for approval of the transfer directly or indirectly of the effective ownership or control of:

- a) Bushnell Communications Limited, licensee of a cable television system in Rockland, Ont.
- Ottawa-Cornwall Broadcasting Limited, licensee of CJOH-TV Ottawa, CJOH-TV-8 Cornwall and CJOH-TV-6 Deseronto, Ont.
- c) Laurentian Cablevision Limited, licensee of cable television systems in Aylmer, Lucerne, Deschenes, and Hull and Touraine, Que.
- d) Skyline Cablevision Limited, licensee of a cable television system in Ottawa, Ont.

and of the broadcasting undertakings operated by them, through the transfer of 894, 802 common shares (52%) of Bushnell Communications Limited from Western Broadcast Holdings Ltd., to Campeau Corporation.

Decision: DENIED

This application was heard by the Commission on October 10th, 1974, at a Public Hearing held in Ottawa, Ont.

Campeau Corporation ("Campeau") is a diversified real estate company based in the City of Ottawa and engaged in land development, the construction and sale of housing, the development, construction and management of commercial and residential properties and the sale of lumber and building products. Except for a small shareholding in Skyline Cablevision Limited, the licensee of a cable system serving part of the City of Ottawa, Campeau has no other interests in broadcasting undertakings or experience in the operation of broadcasting undertakings.

Bushnell Communications Limited ("Bushnell") through its subsidiary, Ottawa-Cornwall Broadcasting Limited, operates felevision station CJOH-TV, Ortawa, with rebroadcasting transmitters located at Deseronto and Cornwall, Ont, and provides alternative Canadian television service to the Eastern Lake Ontario - 51. Lowrence Seaway - Ottawa Valley Region including the cities of Kingston and Cornwall. Also, Bushnell and its subsidiary, Laurentian Coblevision Limited, control cable systems serving Rockland, Ont. and Hull, Aylmer, Lucerne, Deschenes and Touraine, Que. As well, Bushnell has a substrantial ownership interest in Skyline Coblevision Limited which serves part of Ottawa.

The Commission is not satisfied from the evidence produced in the written application and at the Public Hearing that Campeau had considered adequately and made provision for the obligations and responsibilities inherent in the operation of Bushnell's various broadcasting undertakings. In particular, the representatives of Campeau were not, in the opinion of the Commission, sufficiently specific in expressing their programming plans for these broadcasting undertakings or in explaining how Bushnell under Campeau's ownership would function within the CTV Network, of which Bushnell is a dominant member.

The Commission also took note of the concerns expressed by the intervenors regarding the possible conflicts of interest that might arise between the objectives of a company engaged in the development and management of real estate and the responsibilities imposed on broadcasters by the Broadcasting Act. The Commission agrees that such public issues as government housing policies, regional planning, the re-zoning of lands and the relationship of landlords to renants contain a potential for conflict between the objectives of a developer and manager of real estate and the responsibilities of broadcasters to provide balanced opportunity for the expression of differing views on matters of public concern. In the opinion of the Commission, the representatives of Campeau failed to respond adequately to these concerns.

In view of its denial of this application, the Commission will expect a further application for the divestiture of the Bushnell shores held by Western Broadcast Holdings Ltd. to be placed before it not later than April 1st, 1975. Such application should take into account the concerns of the Commission expressed in this and previous decisions and public announcements concerning the shareholdings of Western Holdings Ltd.; in Bushnell.

In its Decision 74-58, the Commission stressed that it expects the dominant CTV stations not only to provide a local service but to contribute to regional and national services as well. The decision stated that CJOH-TV has the complex responsibility within the CTV network of reflecting to the rest of Canada the National Capital area, with its distinctive bilingual and bicultural character, as well as the other communities of the Eastern Ontario triangle, with their varying historical, social and cultural traditions. The decision also recognized that Bushnell, with excellent studio and technical facilities, has been active in the production of television programs not only for the CTV Network but for other nerworks and for international syndication. The Commission will expect any future applicant to demonstrate an awareness of these important functions of Bushnell and to develop concrete proposals to ensure their fulfilment.

Good Citizenship deserves a medal

Do you know anyone here in Ontario who—through selflessness, humanity and kindness without expecting anything in return—has made this a better province in which to live?

That's the kind of person for whom the Ontario Medal for Good Citizenship was established.
Recipients are selected by an independent
Advisory Council of Ontario citizens whose honorary

chairman is the Lieutenant-Governor of the Province. Anyone may nominate a person for the Ontario

Medal, and nomination forms are available by writing:
